

Dawn Foods Names Jerry's Nugget Casino the Sweetest Full Line Bakery in Nevada
Local Las Vegas bakery recognized as one of the top bakeries in America

Las Vegas, NV – November 4, 2019 – Jerry's Nugget Casino announced today that it has been named the Sweetest Full Line Bakery in Nevada by [Dawn Foods](#) in its annual Sweetest Bakery in America Contest. The bakery competed against over 1,000 other bakeries across the United States.

Jerry's Nugget Casino houses its very own bakery, creating breads, cakes, pastries, and all desserts for two eateries at Jerry's. Owned by the Stamis Family, Jerry's Nugget Casino has been a part of the North Las Vegas community for more than 50 years. The bakery is best known for its eclairs and strawberry rings served at Jerry's Famous Coffee Shop.

"Wow! We cannot believe we've been named Sweetest Bakery in the entire state of Nevada" said Executive Pastry Chef, Douglas Taylor. "It's a true honor to serve our loyal customers. Thank you for your support over all these years."

In the third year of the competition, Dawn Foods invited communities across the U.S. and Canada to cast their vote (from July 1 – Sept. 30) and help their favorite bakery win the title of Sweetest Bakery in America and Sweetest Bakery in Canada. The annual contest continues to grow in popularity with Dawn receiving over 1.4 million votes via text and online throughout the contest. Participating customers also saw up to 9% sales growth throughout the contest.

"The entire Dawn Foods family wants to extend a big congratulations to all bakeries that participated in our third-annual Sweetest Bakery in America contest," said Dave Rhoades, North America VP of Marketing for Dawn Foods. "We are inspired each and every day by your hard work and commitment to making life's sweetest moments even sweeter. As a valued bakery partner for nearly 100 years, it's our longstanding commitment to bring you the tools necessary to help grow your business – through contests such as this for example – and encourage meaningful connections with your local communities."
